In pursuance of my representation on 11/4 on the floor of the Assembly on the 1st instant praying for the allotment of the Ideal land where the S.D. Hospital is or situated exclusively for the Ashiks and in reply to my representation, I was given an assurance that the grant of the said plot of land will be considered sympathetically after consulting the Govt elsewhere.

113 I am give to understand that the Chairman of the Trust Board has given an assurance to-day (17-5-1943) on an occasion of tea party arranged by bamboo and Timber merchants that on the same land sites will be allotted to the bamboo and Timber merchants. This caused an ill-feeling and an offence among the Muslim community of the city. I therefore request you to issue immediate orders with this regard to settle finally.

I would trust that you will be favourable to it and further agree to the

Sir,

Subject - Re the reservation of the place where the present
E D Hospital is located for the Muslim Community -
for the construction of houses after the Hospital -
is shifted to another place

With reference to your letter No L-722/11 dated 16th July 1943 forwarding for report a petition dated the 30th June 1943 on the subject - noted above addressed to the Dewan by the Members of the Idga Committee, Mysore, I have the honour to state that the Secretary, Anjuman-E-Ithhad-E-Islam, Mysore, sent on 22nd December 1939 to this office a copy of Resolution No 2 passed by the Executive Committee of the Anjuman-E-Ithhad-E-Islam Mysore, held on 19th December 1939 under the Presidentship of Mr G Ahamed Khan, requesting to reserve the sites to the west of Idga where the E D Hospital is existing at present for Muslims alone. A copy of the same was also forwarded to this office in your Memo No L 6041 dated 9th January 1940 for disposal. Thereupon a reply was given to the Secretary, Anjuman-E-Ithhad-E-Islam on 16th February 1940 in this Office No 1865 stating that no sites have been formed in Idga where the E D Hospital is existing at present and that the matter would be considered when sites are formed after the removal of the existing E D Hospital.

2 On 26th October 1942 the President of Anjuman-E-Ithhad-E-Islam, Mysore, presented a petition to the Huzur Secretary in the matter and the same was forwarded to this office in your Memo No L 5073 dated 21st November 1942. Subsequently a copy of letter No 3066/1 dated the 12th November 1942 addressed to the Minister for Local Self Government and Public Health and received at the General and Revenue Secretariat from the Honorary Secretary, Idga Committee, Mysore, requesting that the place where the present Epidemic Diseases Hospital is located might be reserved for the Muslim Community was forwarded together with its enclosure for a report in your letter No L 5610/11

133-42-3 dated 5th December 1942 Regarding this an ad-interim reply was sent in this office No B2 C-730/42-43 dated 1st April 1943, stating that from the papers available in this office it is seen that the connected file relating to the acquisition are pending with the Deputy Commissioner Mysore District, for a long time on the ground that they have been sent to the First Munsiff, Mysore, and that a reference has been made to the Deputy Commissioner to send the records and that on receipt of his reply a final report would be submitted in the matter

3 Again, Mr G Ahmad Khan brought representation No 37 on the subject, before the June Session of the Representative Assembly 1943 and a draft reply was submitted to Government by me on 25th June 1943 in this Office No B2 C-730/42-43 stating that the lands (Idga lands) having already been acquired (long ago) the question of restoring the same does not appear to arise, but however the question of setting apart a portion of this area after the shifting of the E D Hospital for a Muslim Block would be considered on merits and that this area has been vastly improved now on account of formation of the New Santepeet, Bamboo Bazaar, Filling up of Purniah's Nala, Industrial Suburbs and other improvements and the sites here will therefore be very greatly in demand and fetch a high price

4 Re the petition under reference I may state that this was sent to me on the 30th June 1943 informally by the Private Secretary to Dewan with a request to speak to the Dewan about it Accordingly I explained the position to the Dewan and the Dewan was also pleased to inspect the spot after which the petition in question was returned to the Private Secretary to the Dewan

5 Re: the lands acquired from the Muslims referred to in the petition, from a reference to the Khetwar of Iaragondanahalli Village from 1917-18 to 1923-24, it is seen that the marginally noted old S Nos

S Nos	Area		Name of Khatedar	
	A	G		
194	3	5	Chikkanalla, S/o Kadara	} were acquired for Idga Extension as per Government Order No R 7780/M 23-19-39 dated 19th January 1920 and were handed over to the Trust Board on 30th April 1922 as
195	10	12	Donnelingegowda	
199	11	11	Nava Jaga	
200	4	38	Dasi bin Honnegowda	
202	10	22	(1) Linganna, (2) Chikka Linganna, S/o Sidda, wife Boremma	

per Sub Division Officer's Order No L A 53-65 of 19-20 It will be seen

therefore that out of a total area of 40 acres and 8 guntas acquired the land acquired from the Musalmans is S No 199 which is ~~only~~ -- 11 acres and 11 guntas known as 'Navajuga'. It is on this S No -- that the E D Hospital at present stands. Out of this area a portion has already been utilised for the formation of 4 sites in New Bamboo Bazaar and also for the formation of a portion of a New -- Banni Mantap Road ^{and} so is not available. It is now proposed to -- lay out the remaining area including the other S Nos referred to above after the shifting of the E D Hospital into building sites. A copy of the proposed lay out is enclosed.

6 The question if any portion of this area is to be reserved for Mussalmans only and if so what that area should be -- will have to be decided after the lay-out is sanctioned. If -- ~~there~~ request is to be considered it would perhaps be difficult to resist similar claims from the others whose lands were also acquired simultaneously.

7 Regarding the statement ~~on~~ the representation of the Idga Committee that a promise was made at the time of the acquisition of the above land that the land previously belonging to Idga Committee would be restored to them for the purpose of laying out an extension for the benefit of the members of the Muslim Community after the present E D Hospital is shifted etc, nothing can be -- said now as the acquisition papers have not yet been received from the Deputy Commissioner, Mysore. It may however be added that -- once a land is acquired under the Land Acquisition Act all other rights in it are extinguished vide Section 16 of the Land Acquisition Act. Anyhow a further report will be made in the matter as soon as the records are received. A copy of the latest reply received from the Deputy Commissioner is herein enclosed for kind -- information.
